

## THE COUGAR WAY

Student Name \_\_\_\_\_

Date \_\_\_\_\_

To be a student at Crenshaw Christian Academy is an honor and a responsibility. I make the following commitment to uphold and protect the legacy of my family, my school, my classmates, and myself by upholding the standards of the Cougar Way.

Cooperate - In the classroom, on the field, on the court or any place that I represent CCA, I will cooperate with the faculty, staff and fellow students and will always be considerate of others.

Obedient – I will strive to obey the rules of the school and those set forth by the Board of Directors, Administration and staff in the classroom, on the court, on the field or any place that I represent CCA.

Understanding – I will strive to be understanding of others, realizing that each person is uniquely and wonderfully made by God.

God First – I will strive to always put God first in my life and be a positive Christian role model for others.

Attitude – I will maintain a positive attitude while giving 110% to get the most out of my God-given talent. I am teachable always and humble in victory. Realizing that life is 10% what happens to you and 90% how we react, I will make my attitude a priority.

Responsibility – I will take responsibility for my actions and the consequences for those actions. I will reflect leadership in the classroom, on the field, on the court or wherever I represent CCA. I will seek to achieve my personal best while helping my classmates and teammates do the same.

As I begin each day I realize that I represent my faith, family, school, classmates and myself. I know that if I compete in academic competition or athletics, I represent the integrity of CCA, the colors of my school and all of those that come after me. Now is my time in history. I pledge that before I leave, history will remember me as a champion both in the classroom and on the field or court of play, if I participate in sports.
